Remarks

Experience spectacular Gulf of Mexico vistas from this direct west-facing and exceptionally private residence at The St. Regis Longboat Key. Floor-to-ceiling windows bathe the interiors in natural light and frame unobstructed water views, while the expansive living room provides the perfect setting for elegant entertaining. Step onto the sweeping 878-square-foot terrace—complete with a Wolf gas grill—and enjoy front-row seats to Longboat Key's world-famous sunsets. The chef's kitchen is a masterwork of form and function, featuring Poggenpohl cabinetry, Sub-Zero refrigeration, Wolf appliances including double ovens and a gas cooktop, microwave, dishwasher, and a wine/beverage refrigerator. The owner's suite is a serene retreat with an entire wall of glass overlooking the Gulf and resort grounds. A custom Closet Envy wardrobe ensures abundant storage, while the spa-like bath offers dual vanities, a soaking tub, walk-in shower, and Toto electric commode. The generous ensuite guest bedroom also enjoys Gulf views, custom built-ins, and direct access to the terrace. Finishes throughout, curated by Marc-Michaels Interior Design, embody timeless sophistication. Beyond the residence, The St. Regis Longboat Key offers a collection of world-class amenities designed exclusively
